

A unique celebration of the India Republic day in the Andaman Islands organized by the Infiniti live-aboard

---

We love being in the Andaman Islands on Republic day. It's a great feeling to realize that this beautiful corner of the world is a part of India.

Our onboard team & guests celebrated the Republic day in a unique manner:

- Underwater flag hoisting, 50 feet deep in the Bay of Bengal of the Indian Ocean

2. Onboard flag hoisting, salute & recitation of the National Anthem by our team & guests, including foreigners

Special decking out of the Infiniti with the A to Z flags. The Infiniti team – which has Indian nationals from various parts of the country – Punjab, Maharashtra, Tamil Nadu, Karnataka, Kerala, UP, Northeast etc; and belonging to different faiths of Hindu, Muslim, Jain, Parsee, Christian – all gathered as one for saluting the country & the flag.

We are conscious of being an India experience that attracts worldwide travellers and always strive to create an excellent impression of India, Indian cuisine & people to our guests from abroad. We are proud to be an Indian scuba diving live-aboard that competes with similar global experiences.
